Listed alphabetically by component - Web ASPIRE SOFTWARE Updates

Reminder - SIS2000+ Software name change - We have changed our software name to Aspire.

We will be going through and updating all our documentation to display the new name. This will take some time, so please be patient with us.

We will start referring to our software as Aspire immediately.

Academic Progress Application -

Report Category

Report: Low Achievement -

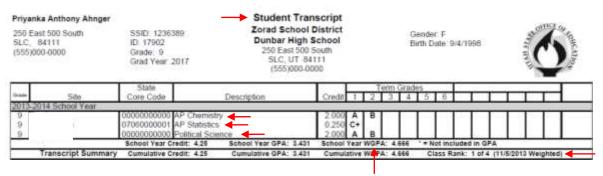

Changed - percent will always display even if marks are posted and finalized.

Report Category: Academic Progress - Report: Student Transcripts - Changed - WGPA Multiplier to join the crshist table for the weight multiplier when the mstuniq on the Coursehistory is not null.

Users need to be aware, transcripts will not reflect the changed weighting on marks that were posted (historical marks)**before** you made a change on the WGPA multiplier on individual courses.

Also, when adding a transfer credit from another school, users will also need to change the **Course Weight** in course history if they wish the WGPA Multiplier calculation to be applied to the transfer credit.

Academic Progress - If users use Class Ranking - remember to run the class ranking as often as necessary when changes have been made in grade book and course history to recalculate the class ranking.

Report: Student Transcript - Added - users can now select what ACT score they would like to show on a student's transcript.

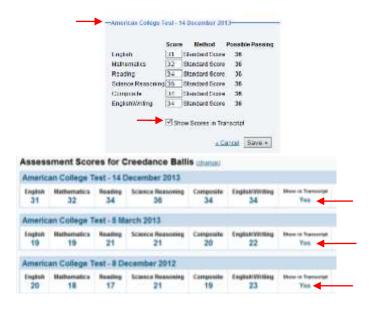

ACT	Date	Composite	English	English\Writing	Mathematics	Reading	Science Reasoning
→ 1	12/8/2012	19	20	23	18	17	21
-	3/5/2013	20	19	22	19	21	21
_	12/14/2013	34	31	. 34	32	34	36

Selecting an ACT Score to display or not display is done in Assessment -

Select the test – Search for the student you need to edit. Check or uncheck – Show Scores on Transcript.
